### TENNIS PLAY IS STARTED TODAY

The Intermountain Tournament Opens With Entry Records Broken.

FAST PLAY IS ASSURED

OLD-TIMERS AND NEWCOMERS HAVE TALENT IN AIR.

With the largest and classiest field in the history of the Intermountain Lawn Tennis association, the fifth annual championships will start today on the Country club courts. The entry list shows practically every player of prominence in the intermountain country, and the large number is also most encouraging.

The committee in charge was disappointed in not receiving expected entries from Montana. While not in the district, several of the Montana players had announced their intention of taking part in the intermountain tournament. It looks as if both the distance to come and the class of tennis to be encountered were too much.

One of the big features of the present tournament will be the visit of Bundy and Sinsbaugh, the coast players now playing in the east. Bundy won his way to the semi-finals of the United States championships at Newport, and is, as well, the western champion. Sinsbaugh is also a strong player and, with Miss Sutton, is expected to take away the honors in international mixed doubles now being held at Niagara-on-the-Lake, Ontario.

Many Newcomers.

As to the players who will win the honor of placing a challenge for the intermountain titles, the forecast is necessarily clouded owing to the large number of entries and the chance for dark horses. It looks, however, as if Carr Neel will win the right in singles to play his brother, Sam Neel, in the challenge match. Ned Garnett, former state champion, will also be a contender as well as more than a dozen other wheel-horses of the game who must always be reckoned with. After his brilliant victory over Lieutenant Margrett the other day, S. A. Whitney has won many backers to wear his colors in the present tournament.

In doubles many of the teams are new, and the talent gives the chance to meet the Salisbury brothers to more than half of the teams entered. The first matches are scheduled for 2 o'clock this afternoon. The courts are said to be in fine condition, and no obstacle will be in the way of fast play from the start. The gallery stand will be open to the public, and all lovers of tennis are invited to attend the matches.

## TWO NEGROES SHOT TO DEATH

Member of Posse Is Killed and More Lynchings Are Expected in Georgia.

Saperton, Ga., Aug. 27.—Two negroes and a prominent white planter were killed today and more lynchings are expected.

Ben Clark, a negro, who escaped from a chain gang, was surrounded in the house of John Sweeney, another negro. Clark refused to surrender and fired on the posse, killing one Burdon. He continued firing until his ammunition was exhausted. Then he was captured and was shot with bullets. His body was cremated.

The posse then caught Sweeney. Because he had harbored Clark he was shot to death and his body hung on a tree. Late tonight the posse was hunting Sweeney's wife, who escaped.

ALLEGED KIDNAPERS FIGHT REQUISITION

Hearing Takes Place on Application for Return of Prisoners to Kansas.

Jefferson City, Mo., Aug. 27.—The hearing of the requisition of the governor of Kansas for the return of Mrs. J. M. Barclay and J. M. Gentry to Kansas, for trial on the charge of kidnapping Marian Blackley, the incubator baby, was held before Acting Governor Gmelich today.

Mrs. Barclay's attorneys insisted the requisition should not be honored, because Alice Blackley was not the child's mother. Mrs. Barclay had legal right to the child by decisions of the courts of Illinois and Kansas and that the feeble was strong in Kansas against the defendants.

Attorneys for Mrs. Blackley charged that assault, kidnapping and burglary had been committed, and affidavits were introduced showing that a fair trial would be given in Kansas. The decision will be announced later.

Topeka, Kan., Aug. 27.—Governor Stubbs called Governor Hadley of Missouri by telephone today and made a request that he request the return of Mrs. Barclay and Gentry. He assured Governor Hadley that there is no danger of mob violence in Topeka.

## 25 Years Patience

We collected some money the other day for Mr. F. J. Titus, who until recently lived at 180 E. 14th South, Salt Lake City. This money had been owing to him twenty-five years, and represented money which he had loaned a friend. He said he had nearly lost patience, but he always did think the man was honest and would pay him. This is another evidence of the fact that red streaks of honesty exist in everybody. We made this assertion a few years ago, and since then we have collected thousands and thousands of dollars in proof thereof. If any one owes you money, turn in your claims and we will collect some for you.
